

Litter Bag Holder

Ergonomic Spring Design
easy to use

Foam Grip
easy to grip &
comfortable

Pick-Up Stix™

Pick-Up Stix™ is a jumbo tweezer tool for trash pick up. This lightweight, highly usable tool is manufactured in the U.S.A. from high-grade aluminum and plated steel with a foam comfort hand-grip. It's ergonomic design is much easier on hands than trigger-style varieties. Great for removing solid waste of any kind. Used nation-wide by highway clean-up and grounds maintenance crews.

Excellent for tending a fire pit or charcoal grill!
