

DRAMM®

Pistol™

- Variable Spray Pattern
- Ergonomic Grip
- Heavy Duty Construction
- Lifetime Consumer Guarantee
- Carded and Displays

carded for pegboard

available in 6 colors

Variable Spray Pattern

Vary the spray pattern from a wide stream to a concentrated stream by squeezing the handle.

Lever Lock

Use the wire lever to lock the handle in the desired spray position to reduce hand fatigue.

Comfort Grip

Increase comfort with a molded rubber hand grip. Insulates from water temperatures and reduces stress and strain.

Flow Control Adjustment

Turn the threaded flow control nut in or out to adjust the amount of water output from the spray gun.

Professional Quality for Life

HAND HELD WATERING TOOLS
