### 9 Selectable Patterns

Twist the rubber overmolded pattern disc to select one of nine water patterns for a variety of uses.

### Lever Lock

Use the wire lever to lock the handle in the "ON" position to reduce hand fatigue.

### Comfort Grip

Increase comfort with a molded rubber hand grip. Insulates from water temperatures and reduces stress and strain.

### Flow Control Adjustment

Turn the threaded flow control nut in or out to adjust the amount of water output from the spray gun.
